FRONTIER PATHOLOGY

INNOVATION | COMMUNITY | COLLABORATION

YOU ARE INVITED!

The Australian Institute of Medical and Clinical Scientists are holding their National Scientific Meeting in Perth at the Pan Pacific Perth from 16th – 18th September next year.

This follows on from our successful 2024 event in Adelaide and as such promises to be an exciting event with rekindling of collaborations, friendships and partnerships between the delegates, speakers and the industry.

It is our great pleasure to invite you to partner with AIMS to showcase your company either as a sponsor or exhibitor.

The conference, Exhibition and associated social events provide a range of opportunities for networking, building relationships and marketing your brand.

Packages have been designed to meet the needs of you, our sponsors, and provide you with maximum exposure prior to, during, and after the conference.

The NSM is expected to attract delegates from across Australia and the Asia-Pacific Region and will provide an excellent opportunity to market your company and its services.

We look forward to discussing these opportunities further with you.

SUSTAINABILITY MATTERS

We are very pleased and excited to make AIMS NSM 2026 as sustainable as possible to reduce the carbon footprints associated with attending the Meeting.

Here are some of many ways we will be practising sustainability:

- recycling of packaging,
- donatable goods, equipment, and furniture; and
- reduce waste as a whole.

Click on [this link](#) for further information on the ways the venue are helping towards a truly sustainable event.

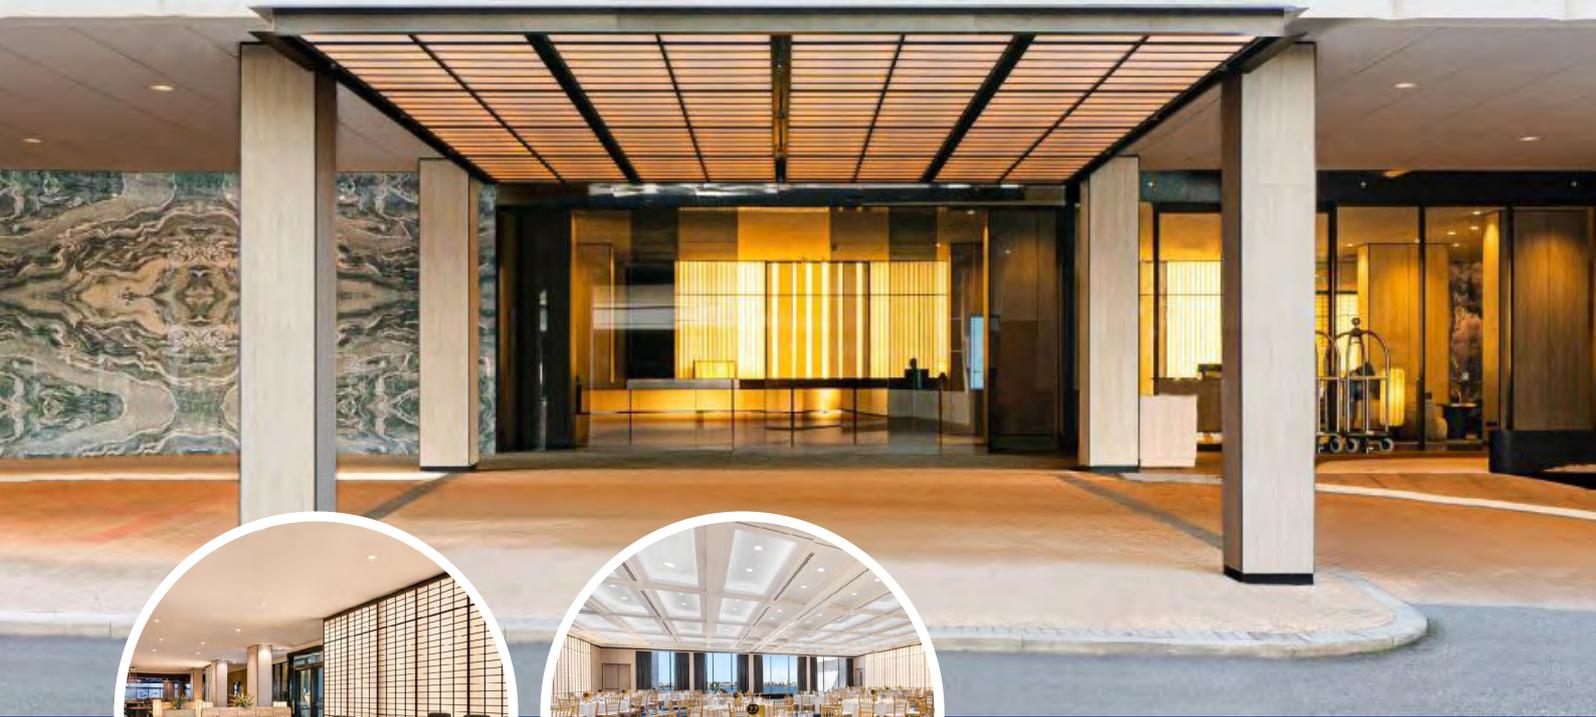

Ask us how you can help.

In an effort to produce an event environmentally friendly event and booth, ask us about Ecoboard Displays in place of your traditional booth build: smarter, greener, more versatile!
